

# **Energy Policy of College of Education, Nagaon**

The institution has a proper energy management policy to ensure the minimum consumption of energy.

## **Objectives of the Policy:**

1. To ensure the minimum consumption of energy.
2. Improvement in Energy efficiency to reduce Energy consumption and cost.
3. Minimize the energy consumption by use of energy efficient equipment and maximize use of day light and natural product.
4. To develop systematic waste management mechanism.
5. To undertake the plantation drive.
6. To train the employees and students through our Go Green Club to make them nature lover and partners to plant trees every year.
7. To provide information and training opportunities on energy saving strategies for the employees and the students.
8. To assess our energy usages and measure its impact on the environment.
9. To make aware to reduce local air pollution emissions using environment friendly objects in day to day life.
10. To take additional measures to continue improvement of the energy consumption.

## **Energy Policies of the Institution:**

1. Students are always made aware to switch off the lights and fans whenever they leave the classroom or anywhere else.
2. Water motor is switched off immediately after filling the water tank.
3. Students and teachers are always concerned about the use of Internet. They make WIFI utilization of all the electrical devices.

4. College has enough windows and doors for passing of air and natural light.
5. Conduct Green Audit in every year.
6. Well management of the Energy of the campus with back-up power supply system.
7. Replacement of the existing conventional lighting with cost-effective LED lights.
8. Monitor the electricity bills for the efficient utilization of solar power plant installed in the campus.
9. Well management of Floor-wise master switches.
10. The Institute continuously reviews and update the approved policy and is committed to its implementation.
