- a) **Plastic Free Campus:** Reduce plastic used in the campus. Segregation of waste manually separating plastic waste. Ban of plastic helps in maintaining a clean and green environment.
- b) **Green landscape with trees and plants:** The college campus has trees and plants that makes the environment carbon dioxide free. Lot of plantation is done every year. A recent area plan plantation drive was carried out in the college where 100 areca palms were planted by students.
- c) **Utilization of natural Light and air:** The college has an infrastructure which is designed in such a manner that permits free flow of air and natural light in almost all the corner of the building.
