BEST PRACTICES OF 2019-2020

Title - Awareness on Gender Equality

The context- The institution decided to take initiative, on a community level, reducing gender biasness seen in the society.

Objective - 1. To eradicate gender biasness from the society.
2. To remove gender inequality in every section of the society.

The Practice- The institution organized a number of workshops and seminars on Gender Equality in different government schools of Nagaon town in the session 2019-20. The faculties of the college took firm steps to create as much awareness as possible through meetings, lectures, dramatization by our expert trainees etc. The awareness campaigns were attended by school authorities, teachers, students and parents of the students.

Obstacles - To align convenient dates with the respective school authorities.

Impact of the Practice - The initiative was welcomed by all the community members.

Resources Required- Banner, Sound System, and Microphone etc.

Title- Decentralized Administrative System in the College.

The context- Decentralization is an excellent means of motivating the employees of an organization. It allows a democratic working environment.

Objectives- 1. To motivate each and every employee.
2. To create democratic working environment.

The practice- The Principal of the college distributed the duties and responsibility to all the members of the staff equally to maintain a healthy working environment.

Impact- A demonstratic working environment is seen in the campus.
