### Waste Management

College of Education, Nagaon always cares for waste management. It is suitable for recycling of any waste such as Waste Papers and Waste Paper Cartons, waste food, E-waste etc. College provides training to prepare new product from waste. These policies not only help to maintain eco-friendly environment but also leads the learners more creative and innovative. Following are some creation of learners of the College from Waste product. Besides college cares the street animals by providing waste food of every occasion in neighbouring places of the college.
